Chief, Information Security Division (Q43)  
National Security Agency  
Fort Meade, Maryland 20755

Dear Mike:

The enclosed estimate, NIE 14.3-66, is responsive to the subpoena levied on the Agency by CBS in connection with the Westmoreland lawsuit. We would appreciate your coordination and review.

The Agency has no objection to declassification. However, we believe NSA should review NIE 14.3-66 as your material was involved in the estimate. If you believe the estimate can be declassified, we would appreciate your returning the estimate and the result of your review to us so that we may prepare the document for release.

Thank you for your assistance in this matter. If you have any questions, please contact [redacted] of my staff [redacted]  
[redacted]

Sincerely,

[redacted]  
Chief, Classification Review Division
